

Erratum:

S. Nimmrichter, K. Hornberger, and K. Hammerer
Optomechanical sensing of spontaneous wave-function collapse
Phys. Rev. Lett. **113**, 020405 (2014)

As noted by Diósi [1], a factor of 1/2 is missing in the approximate double-commutator equation above Eq. (1) (and in the Supplements below Eq. (S3)); it should read as $L_{\text{CSL}\rho} = -D_{\text{CSL}}[x, [x, \rho]] / (2\hbar^2)$. The further contents are not affected by this.

[1] L. Diósi, Phys. Rev. Lett. **114**, 050403 (2015)
